PLEASE READ IT CAREFULLY.

Unum Life Insurance Company of America (referred to as Unum) welcomes you as a client.

This is your Certificate of Coverage as long as you are eligible for coverage and you become insured. You will want to read it carefully and keep it in a safe place.

Unum has written your certificate of coverage in plain English. However, a few terms and provisions are written as required by insurance law. If you have any questions about any of the terms and provisions, please consult Unum. Unum will assist you in any way to help you understand your benefits.

If the terms and provisions of this certificate of coverage (issued to you) are different from the policy (issued to the Policyholder), the policy will govern. The policy may be changed in whole or in part. Only an officer of Unum can approve a change. The approval must be in writing and endorsed on or attached to the policy. Any other person, including a broker, may not change the policy or waive any part of it.

The policy is delivered in and is governed by the laws of the State of Maryland and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments.

For purposes of effective dates and ending dates under the group policy, all days begin at 12:01 a.m. and end at 12:00 midnight at the Policyholder's address.

This is an accident only policy. It does not pay benefits for loss due to sickness.

The plan includes enrollment, risk management and other support services related to your employer’s benefit program.
CLAIM INFORMATION

**Notice of Claim.** Notice of claim should be sent to Unum within 20 days after the date of the accident for which a benefit is claimed or the date of **Covered Loss** for which a benefit is claimed. Notice should be sent to Unum at **Our** home office. Unum will not deny or reduce a claim if it was not reasonably possible to give notice of claim within 20 days or if notice of claim was given as soon as reasonably possible. If you submit a claim before notification of Unum’s decision on any coverage amount requiring **Evidence of Insurability**, the amount of coverage applicable to the claim will be determined as if Unum’s final underwriting decision had been made prior to the date of the accident or date of covered loss.

**Claim Forms.** When Unum receives a notice of claim, claim forms will be sent for filing proof of claim within 15 days. If claim forms are not sent within 15 days after notice of claim is received, the proof of claim requirements will be met if **We** receive a written statement of the nature and extent of the loss as required in the proof of claim section. Claim forms are also available from your employer.

**Proof of Claim.** Proof of claim must be furnished to Unum within 90 days after the date for which a benefit is claimed or the date of Covered Loss for which a benefit is claimed. Such proof of claim must include documentation furnished by a **Physician** and supported by clinical, radiological, histological, pathological, and/or laboratory evidence. It may also include one or more of the following: a physician’s bill, a **Hospital** bill, or other proof of charges.

Failure to furnish the proof of claim within the time required does not invalidate or reduce a claim if it was not reasonably possible to submit the proof within the required time if the proof is furnished as soon as reasonably possible and, except in the absence of legal capacity of the claimant, not later than 1 year from the time proof of claim is otherwise required.

**Prohibited Referrals.** Any requests for payment of a claim that an appropriate regulatory board has determined were provided as a result of a **prohibited referral** will not be made.

**Time of Payment of Claims.** After Unum receives proof of claim, Unum will pay any benefits due within 30 days.

**Payment of Claims.** Benefits will be paid to you unless such benefits have been assigned. If you are not competent, Unum can pay up to $5,000 to any relative of yours by blood or connection by marriage who is considered by Unum to be equitably entitled to the benefit. Any accrued benefits unpaid at your death will be paid to the named beneficiary, if any, otherwise to your estate. Unum will be discharged to the extent of any such payment made in good faith.

**Overpayments.** Unum has the right to recover any overpayments due to:

- fraud; and
- any error we make in processing a claim.

You must reimburse **Us** in full. We will determine the method by which the repayment is to be made.
Unum will not recover more money than the amount we paid you.

**Recovery of Payment for Prohibited Referrals.** Unum has the right to recover any payments made to a health care practitioner as a result of a prohibited referral as determined by an appropriate regulatory board.

**Unpaid Premium.** Any unpaid premium due for your coverage under this policy may be recovered by us by offsetting against amounts otherwise payable to you, your beneficiary, or your legal representative(s) under this policy, or by other legally permitted means.

**Assignment.** The rights provided to you by the policy are owned by you, unless you assign your rights under the policy to an assignee.

We will recognize an assignee as the owner of the rights assigned only if:

- the assignment is in writing, signed by you, and acceptable to us in form; and
- a signed or certified copy of the written assignment has been received and registered by us at our home office.

We will not be responsible for the legal, tax or other effects of any assignment, or for any action taken under the policy provisions before receiving and registering an assignment.

**Physical Examinations and Autopsy.** We can require that the Insured be examined by a physician of our choice at our expense as often as it is reasonably necessary while a claim is pending. In case of death, Unum, at its own expense, will have the right and opportunity to request an autopsy where not forbidden by law.

**Legal Actions.** You or your authorized representative can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim was first required to have been given; or your claim was denied; or your benefits were terminated.
GENERAL PROVISIONS

ELIGIBILITY FOR COVERAGE

Employee

If you are working for your employer in an eligible group, you are eligible for coverage the later of:

- the policy effective date; or
- the day after you complete any applicable Waiting Period.

If your employment ends and you are rehired within 12 months, your previous work in an eligible group will apply toward the waiting period. All other policy provisions apply.

Unum will apply any period of work with your employer toward the waiting period to determine your eligibility date.

Spouse

If you are covered under this policy, your Spouse is eligible for coverage on the later of:

- the date your coverage begins; or
- the date you first acquire a spouse.

You may not apply for coverage for your spouse if your spouse is covered as an employee.

Dependent Child(ren)

If you are covered under this policy, your Dependent Children are eligible for coverage on the later of:

- the date your coverage begins; or
- the date you first acquire the dependent child.

If your spouse is an eligible employee, only one of you may apply for coverage on dependent child(ren).

Coverage can be extended to your Spouse or Dependent Children if your spouse loses coverage under another group accident plan because of the involuntary termination of your spouse's employment other than for cause. You must notify your employer and provide proof within 6 months after your spouse's coverage under another group accident plan has terminated.

If you are not insured for coverage under this plan and later are required under a court or administrative order to provide group accident coverage to your dependent children you may enroll both you and your dependent children under this plan regardless of enrollment period restrictions.

Upon receiving notice, which contains the employee's name and address and the child's name and address or the address of an official, we will determine the child's eligibility for coverage and:
- complete and send the appropriate part of the Notice to the Employer and the child support Enforcement administration;
- enroll the child provided the child is eligible;
- send to the employee, child, and custodial parent, a written notice that explains that the coverage of the child is or will become available to the child; and
- send to the custodial parent:
  - a written description of the accident coverage, the effective date and the cost for the coverage;
  - a summary plan description and any forms, documents or information necessary to effectuate coverage and to submit claims for benefits.

If you are insured for coverage under the plan but do not enroll your child, we will allow the non-insuring parent, a child support enforcement agency or Department of Health and Mental hygiene to apply for coverage on behalf of the child regardless of enrollment period restrictions.

We will provide to the non-insuring parent membership cards, claim forms, any other information necessary for the child to obtain benefits through this group accident plan.

Any claims will be processed and payments will be made to the non-insuring parent, health care provider or the Department of Health and Mental Hygiene if the non-insuring parent incurs expenses that are payable under this group accident plan.

Coverage will not terminate for such child unless written evidence is provided that:

- the order is no longer in effect;
- the child has been or will be enrolled under other reasonable accident insurance;
- the employer has terminated family coverage for all employees;
- the insuring parent's employment with the employer has terminated except that coverage will be provided for the child consistent with the employer's plan for postemployment accident coverage for dependents, if any.

**Coverage Effective Date**

You may apply, at **Enrollment**, for coverage based on the benefits available as shown in the **BENEFITS AT A GLANCE** section. Evidence of Insurability may be required. When you apply for coverage or are covered under this policy, you are also eligible to apply for coverage on your spouse and dependent child(ren).

The insured's coverage will begin at 12:01 a.m. on the date shown on the confirmation of coverage, provided Unum has approved your application and any required evidence of insurability.

**Absence From Work On Coverage Effective Date**

If you are absent from work on the date your coverage would normally begin due to **Injury**, or sickness, temporary **Layoff** or **Leave of Absence**, your coverage will begin on the date you return to active employment.

**Newborn Coverage**

Your dependent children who are born or placed in your home for adoption while you are covered under this policy are covered for 31 days from the moment of live birth or
date of placement in your home for adoption. If you do not have dependent child(ren) coverage at the time of the birth or placement in your home for adoption, you must notify Unum within 31 days of the newly eligible dependent child’s birth or placement in your home for adoption and pay the required additional premium for your dependent child(ren)’s coverage to continue. If you have dependent child(ren) coverage at the time of the newly eligible dependent child’s birth or placement in your home for adoption, it is not necessary for you to notify Unum or pay any additional premium.

**Premium Payment.** If premium for your coverage is paid directly by you to Unum all premiums due for your coverage, including any adjustments, must be paid on or before the applicable premium due date.

**Grace Period.** The grace period is the 31 consecutive day period that begins on the day your premium is due. Your coverage will remain in effect during that time. However, if premium is not paid within this time, your coverage will terminate at the end of the grace period. There is no grace period for the first premium.

If Unum, at its sole discretion, agrees to waive the grace period in any instance, such agreement will not preclude or prejudice enforcement of the grace period in any other instance.

Termination of coverage will not prejudice any payable claim for a covered loss that begins prior to termination of coverage.

**Employer Changes to the Policy**

Once your coverage begins and you are in active employment or on a covered layoff or leave of absence, any coverage changes made by your employer, consistent with the options you select, will take effect on the date agreed upon by Unum and your employer.

If you are not in active employment due to injury or sickness, any coverage changes requested by your employer will begin on the date you return to active employment.

Coverage changes will not affect a **Payable Claim** that occurs prior to the effective date of the change.

**Changes You Make to Your Coverage**

If changes in coverage are allowed, you may choose to:

- increase coverage based on the available benefits shown in the BENEFITS AT A GLANCE section;
- decrease coverage based on the available benefits shown in the BENEFITS AT A GLANCE section; or
- cancel coverage.

Evidence of insurability may be required.

Changes in coverage begin at 12:01 a.m. on the date shown on your confirmation of coverage. However, if you are absent from work due to injury, sickness, temporary layoff or leave of absence on the date your change in coverage would normally begin,
changes in coverage that you make will begin on the date you return to active employment.

Changes in coverage will not affect a payable claim that occurs prior to the effective date of the change.

**Termination of Employee Coverage.** If you choose to cancel your coverage under the policy, your coverage ends on the first of the month following the date you provide notification to your employer.

Otherwise, your coverage under the policy ends on the earliest of the:

- date you are no longer in an eligible group;
- date your eligible group is no longer covered;
- date of your death;
- last day of the period for which you made any required contributions; or
- last day you are in active employment. However, as long as premium is paid as required, coverage will continue if you elect to continue coverage under the **Portability** provision or in accordance with the layoff and leave of absence provisions of this policy.

Unum will provide coverage for a payable claim which occurs while you are covered under this policy.

If you are confined in a hospital on the date your coverage terminates Unum will continue to pay all covered benefits, in accordance with the terms of this policy in effect on the date your coverage terminated until the earlier of:

- the date you are discharged from the hospital; or
- 12 months after the date your coverage terminated.

If you were already receiving treatment for a broken tooth as a result of a covered accident prior to the date your coverage terminated, and if the treatment will require two or more visits on separate days to a dentist's office, Unum will continue to pay all covered benefits, in accordance with the terms of the policy in effect on the date your coverage terminated, for up to 90 days after the date your coverage terminated.

**Termination of Spouse Coverage.** If you choose to cancel your spouse's coverage under the policy, coverage for your spouse ends on the first of the month following the date you provide notification to your employer.

Otherwise, spouse coverage under the policy ends on the earliest of the:

- date this policy is cancelled;
- date you are no longer in an eligible group;
- date your eligible group is no longer covered;
- date of your death;
- last day of the period for which you made any required contributions;
- last day you are in active employment. However, as long as premium is paid as required, coverage will continue if you elect to continue coverage under the portability provision or in accordance with the layoff and leave of absence provisions of this policy;
- date your coverage under the policy ends;
- date your spouse no longer meets the definition of spouse; or
- date of divorce or annulment.

Unum will provide coverage for a payable claim which occurs while your spouse is covered under the policy.

If your spouse is confined in a hospital on the date your spouse’s coverage terminates, Unum will continue to pay all covered benefits, in accordance with the terms of this policy in effect on the date your spouse’s coverage terminated until the earlier of:

- the date your spouse is discharged from the hospital; or
- 12 months after the date your spouse’s coverage terminated.

If your spouse was already receiving treatment for a broken tooth as a result of a covered accident prior to the date your spouse’s coverage terminated, and if the treatment will require two or more visits on separate days to a dentist’s office, Unum will continue to pay all covered benefits, in accordance with the terms of the policy in effect on the date your spouse’s coverage terminated, for up to 90 days after the date your spouse’s coverage terminated.

Termination of Dependent Child(ren) Coverage. If you choose to cancel your dependent child(ren)’s coverage under the policy, coverage for your dependent child(ren) ends on the first of the month following the date you provide notification to your employer.

Otherwise, dependent child(ren) coverage under the policy ends on the earliest of the:

- date this policy is cancelled;
- date you are no longer in an eligible group;
- date your eligible group is no longer covered;
- date of your death;
- last day of the period for which you made any required contributions;
- last day you are in active employment. However, as long as premium is paid as required, coverage will continue if you elect to continue coverage under the portability provision or in accordance with the layoff and leave of absence provisions of this policy;
- date your coverage under the policy ends; or
- date your dependent child(ren) no longer meets the definition of dependent child(ren).

Unum will provide coverage for a payable claim which occurs while your dependent child(ren) is covered under the policy.

If your dependent child is confined in a hospital on the date your dependent child’s coverage terminates, Unum will continue to pay all covered benefits, in accordance with the terms of this policy in effect on the date your dependent child’s coverage terminated until the earlier of:

- the date your dependent child is discharged from the hospital; or
- 12 months after the date your dependent child’s coverage terminated.

If your dependent child was already receiving treatment for a broken tooth as a result of a covered accident prior to the date your spouse’s coverage terminated, and if the
treatment will require two or more visits on separate days to a dentist's office, Unum will continue to pay all covered benefits, in accordance with the terms of the policy in effect on the date your dependent child's coverage terminated, for up to 90 days after the date your dependent child's coverage terminated.

**Layoff.** If you are on a temporary layoff, and if premium is paid, any insured will be covered through the end of the month that immediately follows the month in which your temporary layoff begins.

**Leave of Absence.** If you are on a leave of absence, other than for family or medical leave, and if premium is paid, any insured will be covered through the end of the month that immediately follows the month in which your leave of absence begins.

**Absence Due to Injury or Sickness.** If you are not working due to injury or sickness, and if premium is paid, any insured may continue to be covered subject to the Termination of Employee Coverage provision.

**Continuing Coverage while Employee is on Family and Medical Leave of Absence.** Unum will continue coverage in accordance with your Employer’s Human Resource policy on family and medical leaves of absence if premium payments continue and your employer approved your leave in writing.

Coverage will be continued until the end of the latest of the leave period:

- required by the Federal Family and Medical Leave Act of 1993 and any amendments;
- required by applicable state law; or
- provided to you for an injury or sickness.

If your Employer’s Human Resource policy does not provide for continuation of your coverage during a family and medical leave of absence, your coverage will be reinstated when you return to active employment.

Unum will not:

- apply a new waiting period; or
- require evidence of insurability.

**Insurance Fraud.** Unum wants to ensure you and your employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

**Contestability of Contract.** We will not contest the contract, except for non-payment of premiums, after it has been in force for two years.
Contestability of Statements in Application or Evidence of Insurability. Unum considers any statements you make in a signed application or evidence of insurability form, or that your employer makes in the application process, a representation and not a warranty. If any of the statements you or your employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

As a basis for doing this, we will use only statements made by the employer in the application process or by you in an application or evidence of insurability form signed by you, a copy of which has been given to you, or in the event of your death or incapacity, your beneficiary.

Unum can take action only in the first two years any insured's coverage is in force.

Cancellation or Modification of this Policy. This Policyholder provision applies to your coverage. This policy can be cancelled by:

- Unum; or
- the Policyholder.

Unum may cancel or modify this policy if:

If any premium is not paid when due, it can be paid within 31 days from the date premium is due, which is called the grace period. During the grace period, coverage will stay in force. If any premium is not paid during the 31 day grace period, the policy will terminate automatically at the end of the grace period. The Policyholder is liable for premium for coverage during the grace period. The Policyholder must pay us all premiums due for the first 31 days of the grace period while this policy is in force. If the Policyholder provides notice of intention to terminate the policy during the grace period, Unum will only collect premium for the period beginning on the first day of the grace period, until the later of:

- the date of termination stated in the notice.

If Unum does not intend to renew the policy beyond the period for which premium has been paid, Unum will send the Policyholder a notice of our intention not to renew at least 45 days before the premium is due. In the event of termination, the policy or plan may be reinstated only as agreed upon by Unum and the Policyholder. If Unum agrees to reinstate the policy or plan such reinstatement will not constitute waiver of the termination provision in the future.

The Policyholder may cancel this policy. If Unum or the Policyholder cancels this policy, coverage will end at 12:00 midnight on the last day of coverage at the place the policy is delivered.

Except as provided in this section, your continuing coverage will be the same coverage provided you under the policy as of the date your employment ends, the policy is terminated by the Policyholder and is not replaced, or you are no longer in an eligible group. Any subsequent change to the policy will not apply to your continuing coverage.

Your continuing coverage is subject to all of the provisions, exclusions and limitations of the policy, except that:

- you may decrease, but not increase the Hospital Confinement due to a Covered Sickness benefit amount;
- premiums will be billed directly to you;
- initial premium rates will be based on the portability rates in effect at the time you apply to continue your coverage; and
- premium rates can be changed by Unum at any time upon 45 days notice to you so long as the change is not due to any change in your age or health or the age or health of your spouse or your dependent child(ren).

Your continuing coverage, and any coverage of your spouse and dependent child(ren) will end on the earliest to occur of:

- your failure to pay the required premium within the 31 day grace period;
- unless your spouse applies for continuing coverage under the following provision, the date you die; or
- the coverage under this portability provision is cancelled by Unum for any reason upon 45 days notice.

Once continuing coverage is cancelled it can not be reinstated.

In the event the Policyholder’s coverage under the policy is cancelled or closed to new enrollments, the policy will remain in effect for the benefit of those who have continued their coverage under this provision prior to the policy cancellation date or that date.
The Right of Your Spouse to Continue Coverage if You Die or are Divorced (Spouse Portability)

If you die or divorce your spouse, your spouse may have the right to apply to continue coverage under the policy.

Your spouse must apply for coverage under this portability provision and pay the first premium within 31 days after the date of your death or divorce.

Your spouse is not eligible to apply to continue coverage under this provision if your spouse was not insured under this policy on the date of your death or divorce.

Except as provided in this section, your spouse’s continuing coverage will most nearly match the coverage provided to your spouse under the policy as of the date of your death or divorce.

If you die or divorce your spouse, your spouse may also apply to continue the same coverage for dependent child(ren), provided:

- the dependent children are insured under the policy at the time of your death, or divorce; and
- you are not continuing coverage for dependent child(ren).

Your spouse’s continuing coverage is subject to all of the provisions, exclusions and limitations of the policy, except that:

- your spouse may decrease, but not increase the amount of the spouse’s Hospital Confinement due to a Covered Sickness benefit;
- premiums will be billed directly to your spouse;
- initial premium rates will be based on the portability rates in effect at the time your spouse applies to continue coverage; and
- premium rates can be changed by Unum at any time upon 45 days notice to your spouse.

Your spouse’s and any dependent child(ren)’s continuing coverage will end on the earliest to occur of:

- your spouse’s failure to pay the required premium within the 31 day grace period;
- the date your spouse dies; or
- the coverage under this portability provision is cancelled by Unum for any reason upon 45 days notice.

Once continuing coverage is cancelled it cannot be reinstated.

In the event the Policyholder’s coverage under the policy is cancelled or closed to new enrollments, the policy will remain in effect for the benefit of those who have continued their coverage under this provision prior to the policy cancellation date or that date.

APPLICABILITY OF ERISA

If this policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative) and your attending physician. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

In the event that your claim is denied, either in full or in part, Unum will notify you in writing within 90 days after your claim was filed. Under special circumstances, Unum is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Unum indicating the reason for the delay and the date you may expect a final decision. Unum's notice of denial shall include:

- the specific reason or reasons for denial with reference to those Plan provisions on which the denial is based;

- a description of any additional material or information necessary to complete the claim and why that material or information is necessary; and

- a description of the Plan's procedures and applicable time limits for appealing the determination, including a statement of your right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

If you or your authorized representative appeal a denied claim, it must be submitted within 90 days after you receive Unum's notice of denial. You have the right to:

- submit a request for review, in writing, to Unum;
- upon request and free of charge, reasonable access to and copies of, all relevant documents as defined by applicable U.S. Department of Labor regulations; and

- submit written comments, documents, records and other information relating to the claim to Unum.

Unum will make a full and fair review of the claim and all new information submitted whether or not presented or available at the initial determination, and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension and the date by which the Plan expects to make a decision. If an extension is required due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the necessary information and the date by which you need to provide it to us. The 60-day extension of the appeal review period will begin after you have provided that information.

The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those policy provisions upon which the final decision is based. It will also include a statement describing your access to documents and describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the determination.

Notices of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.
